

HI, I AM ROBERT GARCIA.

A Sydney based front-end developer passionate about building accessible and user friendly websites.

CONTACT ME

FEATURED PROJECTS

Here are some of the selected projects that showcase my passion for front-end development.

Conceptual Work

Promotional landing page for our favorite show

Teamed up with a designer to breathe life into a promotional webpage for our beloved show, Adventure Time. Delivered a fully responsive design with dynamic content capabilities, seamlessly integrating a newsletter feature to keep fans updated with the latest adventures.

PROJECT INFO	
Year	2023
Role	Front-end Developer
LIVE DEMO SEE ON GITHUB	

Blog site for World News

Mastered CSS Grid complexities in building an innovative news homepage, navigating intricate design decisions for a seamless user experience. Leveraged the challenge to enhance skills in front-end development.

PROJECT INFO	
Client	World News
Year	2022
Role	Front-end Developer
VIEW PROJECT	

Challenge

E-commerce product page

Successfully crafted an engaging product page featuring a dynamic lightbox gallery and seamless cart functionality, showcasing proficiency in JavaScript development.

ABOUT ME

I am a front-end developer based in Sydney. Has Mechanical Engineering background.

I am a front-end developer based in Sydney looking for exciting opportunities. Has Mechanical Engineering background. Likes to focus on accessibility when developing. Passionate and curious about solving problems. Currently, I'm exploring Reactjs, Webflow and a bit of Designing. While I am not programming, I enjoy playing football, photography and playing Valorant. Learning more to improve skill.
